

**NJAWC TO IMPROVE WATER IN WARREN
DEC. 12TH - 7AM-5 PM ALONG VALLEY VIEW ROAD**

***** PLEASE READ TO STAY INFORMED *****

**WE ARE INVESTING
\$403,000 IN WARREN**

Main Installation Project to Start Soon

New Jersey American Water is preparing to install approximately 1,700 feet of new 12-inch ductile iron water main along Valley View Road (from Mountain Avenue to Wells Lane) to improve water service reliability and increase water flows for household consumption and firefighting.

Project Start/End and Work Hours

New Jersey American Water's contractor, CRJ Construction, will begin work on or about December 12. Work hours will be from 7 a.m. – 5 p.m., Monday through Friday. Work on weekends and evenings is not expected unless required to maintain project schedule. Weather permitting, the project will take approximately two weeks to complete. Final paving and restoration will be completed next spring/summer 2017.

Chung Hills
Middle High School

Project Overview

- Install, disinfect, test and place new main into service
- Perform final paving and restoration of concrete, driveway, grass and landscaping

Service Impacts: What to Expect

While we interconnect the new main to distribution system: Customers may experience a slight discoloration of water. If this happens, run the water until it is clear.

Traffic and Accessibility

Temporary traffic disruptions are expected. Traffic control will be coordinated with the Warren local police. Service for trash, mail, school buses and emergency vehicles will be maintained during traffic disruptions.

Noise

Our contractor will take measures to minimize noise levels; however, there will be some unavoidable noise associated with this project. We appreciate your understanding of any inconvenience that this may cause.

Site Maintenance

The project site will be maintained and cleaned each day before contractors have completed work.

The project represents a critical investment for the company in support of our commitment to provide customers with safe, reliable water service.

FOR MORE INFORMATION

Your safety, as well as the safety of your neighbors and our workers is important to us! Should you have any questions or concerns about this project, please contact:
