

MESSAGE FROM THE WHRHS SUPERINTENDENT

Dear WHRHS Community Member:

Ensuring accurate, timely, and trustworthy communication with key stakeholders is integral to supporting student success. Enhancing our modes of communication is a theme you have heard discussed at various levels in recent years. Toward that end, the Watchung Hills Regional High School District will be conducting a comprehensive audit of district and building communications with key audiences, identifying areas of strength and opportunities for improvement. As one of the initial components of the audit, we are inviting you to take the SCoPE School Communication Survey for Community Members. Access the survey at: <https://goo.gl/wxrBDN> on almost any computer or mobile device. Participation takes less than 10 minutes and is completely anonymous.

Please be aware that the Warren Green Brook and Township School Districts are also conducting the SCoPE Surveys. If you reside in either district, you are also invited to complete a separate survey for them.

Green Brook Township Community Survey: <https://goo.gl/SmCL2C>

Warren Township Community Survey: <https://goo.gl/C7Qbwa>

The SCoPE results will help us determine what practices are working well and should continue, as well as what practices can be improved upon. It is important that we hear from as many of our community members as possible. The survey will be open through April 7th. Please take this opportunity to have your voice included. Log on now at <https://goo.gl/wxrBDN>

Warm Regards,

Elizabeth C. Jewett

Superintendent
