

## OUTDOOR SEATING AVAILABLE AT SEVERAL TOWNSHIP DINING ESTABLISHMENTS

**June 16, 2020**

The Warren Township Committee is excited to announce that several Township restaurants have begun offering outdoor dining.

To coordinate with Governor Murphy's Phase II Opening for New Jersey, the Township Committee held a special meeting on June 15 and adopted an Ordinance allowing Warren restaurants to provide outside seating areas.

Deputy Mayor Lazo and Committeeman DiNardo had visited each restaurant last week to assist them in completing the documents required by the Zoning Department.

The Ordinance also approved outdoor classes for exercise, yoga, and martial arts as well as allowing many retail businesses in town to conduct outdoor sales.

The Township Committee encourages all Warren residents to support these restaurants and businesses.

Please call ahead to ensure openings and to make reservations, if needed.

For businesses and restaurants interested in obtaining permits in accordance with the Ordinance, please contact the Zoning Office at (908) 753-8000, Ext. 243.
