### Warren Green Team

The Warren Township Green Team is revising the Community Asset Maps. These maps detail township businesses, facilities, and streets. Residents are invited to attend the June Green Team meeting to provide their input. The meeting will be held on Tuesday, June 6 at 7:00 pm in the Springdale conference room in the Town Hall.

The maps were originally created in 2012 and were updated in 2014.

Community Asset maps are posted on the Warren Township website under Resources/Green Team Resources/Warren Asset Maps. <https://www.zeemaps.com/map?group=300163> - <https://www.zeemaps.com/map?group=300163> and [http://warrennj.org/wp-content/uploads/2014/03/COMM-ASSET-MAP\\_2-1.pdf](http://warrennj.org/wp-content/uploads/2014/03/COMM-ASSET-MAP_2-1.pdf) - [http://warrennj.org/wp-content/uploads/2014/03/COMM-ASSET-MAP\\_2-1.pdf](http://warrennj.org/wp-content/uploads/2014/03/COMM-ASSET-MAP_2-1.pdf). There are two types of maps posted: 1) Community Asset Map and, 2) Interactive Community Asset Map. Both maps list the following features: 1) recreation sites, 2) day camps, 3) golf course, 4) farm markets & stands, 5) community organizations, 6) registered historic sites, and 7) historic sites of interest. The Interactive Community Asset map also shows the fire companies in Warren.

The purpose of these maps is to provide township residents with immediate accessibility in finding the locations in town to use and enjoy. We welcome public input in the Community Asset Mapping process.
