

SOMERSET COUNTY Resource Fair to Host Over 40 Local Agencies

Residents will have an opportunity to become acquainted with the services of over 40 local agencies at the Resource Fair being held on May 10, 2018.

With so many issues facing people today, it can be hard to know where to find assistance. Freeholder Deputy Director Brian D. Levine invites residents to attend a **free** Resource Fair where they will have an opportunity to meet with over 40 local agencies.

"I hope residents take advantage of this opportunity to learn about local services and resources," said Freeholder Deputy Director Levine, human services liaison. "It makes sense to be proactive and become aware of available programs before they are needed."
