Mayor Sordillo appointed to Cybersecurity Advisory Board of Rutgers

Warren Township Mayor, Victor J Sordillo, has been appointed to the Cybersecurity Advisory Board of Rutgers University. Skip Carter, Director, Center of Innovation Education, stated “It is with great pleasure that I invite you to join Rutgers Cybersecurity Advisory Board. Membership on the Board is by invitation only and is based on your personal and professional accomplishments. The Board is comprised of a diverse, innovative, and extremely well connected network of top-flight executives.” Mayor Sordillo is a Senior Vice President of Somp International, a \$30B insurance company. He leads risk control services worldwide.

Cybersecurity is a “business issue.” Accenture’s 2017 “Cost of Cyber Crime Study” notes that successful breaches per company has risen more than 27% each year.

Rutgers offers a Cybersecurity Certification. It is an intensive four-day program led by prominent experts.
