April 17, 2020

Dear Somerset County Residents,

My name is Carys Law and I am a junior at Ridge High School. During these weeks of quarantine, I have been hearing a lot about the constant shortage of chicken products at our supermarkets and how frustrating it has been to try to purchase them. I have also recently seen many accounts of local food banks struggling for donations and meat plants closing across the USA. I felt that I should do something for our community during this difficult time. My family works in the food industry, and with their aid, I hope to help in some way. We have created a fundraising project called "Feed to Give." By providing food for our families, we as a community will be able to aid our local charities and those who rely on them. Therefore, I am hosting a drive-thru boneless chicken breast sale fundraiser with the support of Warren Township.

The product being offered is fresh, uncooked, boneless, skinless chicken breasts packaged in a bulk 10LB bag. They can be frozen for storage. The chicken is born and raised in the USA by Mountaire Farms. Please go to www.mountairefarms.com to learn more about the farm and their story. We are requesting a donation of \$10 a bag (which works out to be \$1 a pound).

*Limit 3 boxes per customer or 12 Bags

100% of the proceeds will go to The Food Bank Network of Somerset County!
