## **FOR IMMEDIATE RELEASE**

Mayor Marion and the Township Committee encourages residents to visit the “Latest Information” section of the [COVID-19 Information page](#) at the Warren Township website at [www.warrennj.org](http://www.warrennj.org) in order to review the information posted on April 2, 2020. Some items added today are as follows:

- The New Jersey Department of Health has provided a document entitled “[NJ Residents with a Positive COVID-19 Test: Instructions & Next Steps.](#)”
- Assemblyman Jon Bramnick, whom represents Warren Township in the State Assembly, recently issued a [press release](#) that includes a webinar outlining the benefits available to residents from recently passed state and federal legislation.

The Township Committee urges all residents to observe social distancing and stay-at-home orders to mitigate the continued spread of COVID-19. As of today, there are 22 confirmed cases in Warren Township.

Deputy Mayor and Board of Health Liaison, George Lazo, stated, “We need the assistance of all residents and businesses to limit the confirmed cases in our community.”

Residents are encouraged to visit the Township Website, Twitter, Facebook and Instagram to access continued important updates regarding COVID-19.
